EDUCATION

University of Southern California, Marshall School of Business - Los Angeles, CA **May 2027**
Master of Science in Business Analytics (STEM) | Dean's List | Algorithmic Thinking with Python: 97/100

SVKM's Narsee Monji Institute of Management Studies - Indore, India **Aug 2025**
Bachelor of Technology in Computer Engineering | GPA: 3.91/4.00 | Dean's List | Best Student Award

EXPERIENCE

GoElite Inc. - Pasadena, CA **Jun 2026 - Sep 2026**
Campaign Marketing and Business Development Intern

- Built and segmented a 150+ prospect pipeline of influencers and student organizations by audience fit and partnership potential, creating a prioritized acquisition funnel for creator and campus campaigns.
- Analyzed engagement and acquisition metrics across influencer and event campaigns, translating patterns into targeting recommendations and coordinating launches across marketing partners and internal stakeholders.

USC Marshall Data Science and Operations - Los Angeles, CA **Mar 2026 - Jun 2026**
Program Analytics and Marketing Associate

- Evaluated learning platforms and redesigned pre-program coding and mathematics curriculum for incoming MSBA students, converting readiness gaps into an actionable content roadmap for program leadership.
- Partnered with faculty, operations, and student-facing teams on orientation and program initiatives, translating stakeholder requirements into clearer guidance and experiences for a diverse graduate cohort.

Grexa AI Pvt. Ltd. - Mumbai, India **Feb 2025 - Jun 2025**
Product Manager Intern

- Synthesized research across hundreds of Google Business Profiles and 10+ ranking signals into a GBP Health Score for Grexa's dashboard and WhatsApp chatbot, helping nontechnical SMB owners identify visibility gaps and prioritize SEO actions.
- Owned requirements for 3 core modules - Business Profile, POS and Billing, and Blog - writing PRDs, acceptance criteria, and user flows in Jira and Figma while partnering with engineering, design, and marketing to reduce development turnaround by 20%.
- Instrumented Amplitude events across chatbot and dashboard flows; used drop-off and adoption patterns to reorder content and refine ranking logic, improving onboarding clarity through rapid internal testing.

WUElev8 Innovation Services Pvt. Ltd. - Noida, India **Jun 2024 - Aug 2024**
Product Development and Strategy Analyst

- Mapped competitor offerings and user behavior into product vision, user stories, and MVP requirements for a collaborative project-sharing platform, giving the team a prioritized development blueprint.
- Built and tested a FastAPI backend and Figma prototype through agile sprints, delivering a functional MVP and reducing development bottlenecks by 30%.

SELECTED PROJECTS

Incite - AI-Powered Instagram Analytics Platform **2024 - 2025**

- Built an end-to-end analytics product using Python, FastAPI, Firebase, FlutterFlow, NLP, and WebSockets, turning post performance and comment sentiment into real-time recommendations for brands and creators.
- Developed a recommendation engine with 85% validation accuracy and conducted usability testing that earned 4.6/5 satisfaction, informing iterations to content timing, audience segmentation, and dashboard flows.

Streaming Content Analytics Dashboard **Nov 2023**

- Built a Tableau dashboard over 1M+ public streaming records and optimized Python-SQL pipelines, reducing processing time by 30% and improving load performance by 20% to support faster exploration of genre and engagement trends.

LEADERSHIP AND AWARDS

- 2nd Place Globally, 6th Annual Global AI Case Competition, USC Marshall - Built an AI workforce automation prototype and business case with a cross-functional team; presented the technical solution to 12 industry judges.
- Co-authored AI/ML papers on facial emotion recognition and GAN architectures selected for presentation and publication at IC-SIT 2024 and TechDev 2024.
- Marketing and Social Media Lead, GDSC NMIMS Indore - Established the chapter's digital presence and led content and event campaigns that increased online engagement by 60%.
